**IMPORTANT MESSAGE ABOUT YOUR LOAN**

This letter is being sent pursuant to California Code section 2923.5. We have made several attempts both by phone and mail to discuss your possible options. CALIFORNIA BEAR CU realizes that sometimes things happen that are out of your control. However, we can not help you if we can not discuss possible options with you. We would like to talk you about your current loan situation to determine if you qualify.

**WHAT YOU NEED TO DO**

Please call us at **(877-597-7779)**, so we can discuss in greater detail this opportunity to help you save your home. Please be prepared to provide us with your financial information (e.g., income/expenses). A workout package may be required. All workouts are subject to (lender) approval.
